WORKSHEET: WEBSITE ORGANIZATION

Begin planning out the places you will need in your website on paper before you start using the NHD Website Editor. Each page should directly support your thesis statement. **Remember**: These are just some beginning ideas. You may want to include more pages, fewer pages, or create subpages on your website. Just keep in mind the ease of navigation for your viewer.

Title
(Brainstorm a creative title for your website and write it here.)

Navigation
(Think about which pages would best support your thesis statement and write them below. Remember: You can add as many or few pages as you want on your website as long as you're organized!)

Thesis
(You will want to include your thesis on your homepage, but do not have to label it "thesis." Write your thesis here and use it as a guide to decide which pages you want to include on your website.)
