

Elementary Poster Judging Process – 45 minutes

First, you will participate in a gallery walk:

- Talk to the other students in your heat
- Use post-it notes to leave comments on their posters
- Share your work with other students

Then, the judges will talk with you about your poster:

- You'll stand next to your poster and wait your turn
- The judges will ask you some questions about your research
- Once the judges move to the next project, you are done!
- Exit the building and celebrate all your hard work

Don't worry about talking with the judges. They'll only ask you questions from this list:

1. How did you choose your topic?
2. How did you research your topic?
3. How does your topic connect to this year's theme?
4. How did you create your project?
5. What did you learn that surprised you?
6. What source was the most helpful?
7. What would you like to know more about?

What to Bring:

- Bring Four copies of your Title Page, Process Paper and Annotated Bibliography.
- When you have finished setting up, leave 4 copies at your poster and mark one "DISPLAY COPY." You may also want to bring an additional copy for your own reference.
- There will be no final judging round for the poster category. Instead, judges will select a winner and runner-up from each heat.
- Awards will be presented at the ceremony scheduled for Friday afternoon at 3:00 p.m.
