

## Poster Judging Process – 45 minutes

### First, you will participate in a gallery walk:

- Talk to the other students in your heat.
- Use post-it notes to leave comments on their posters.
- Share your work with other students.

### Then, the judges will talk with you about your poster:

- You'll stand next to your poster and wait your turn.
- The judges will ask you some questions about your research.
- Once the judges move to the next project, you are done!
- Exit the building and celebrate all your hard work.

### Don't worry about talking with the judges. They'll only ask you questions from this list:

- How did you choose your topic?
- How did you research your topic?
- How does your topic connect to this year's theme?
- How did you create your project?
- What did you learn that surprised you?
- What source was the most helpful?
- What would you like to know more about?
