California History Day MAKING HISTORY WEBINARS

FOR TEACHERS, STUDENTS, & PARENTS
700PM - 8:00PM
REGISTRATION REQUIRED

About the Series

Historical research requires students to use research, analysis, and historical thinking skills. Join us for this free, multi-part webinar series to introduce these skills to students and share tips on how to research and develop their topic into a History Day project.

This webinar series is free and open to teachers, students, and parents.
